Mr. William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

This is in regard to your superb article entitled
"Regroup to Check the Soviet Thrust" in the April 22,
1983 issue of the Wall Street Journal.

I have been working with others since February
of 1981 on the kind of approach you suggested in your
article and relative to this I have enclosed a copy of
a recent letter and a draft paper to give you an idea of
what we are attempting to pursue.

We are now working on an approach to the Congress
and would appreciate any suggestions or comments you
may have.

Sincerely,

President
